

Our Role

Apart from offering consultancy and training programmes, CFE-In-Practice plays a pivotal role in helping banks, both in Singapore and overseas. Our in-depth training analysis can help you improve your business quality and service. Tailored business solutions can enhance employee performance. Accreditation of in-house training courses and programmes can add stature and impetus.

- Company-specific seminars
- Accreditation of in-house training programmes
- Our Professional Coaching services help identify and resolve performance enhancement issues such as:
 - Technical financial training;
 - Customer care and selling;
 - Management and leadership;
 - Interpersonal and communication skills;
 - Team building;
 - Train the trainer;
 - Enhance staff motivation and retention.
